

For 1978-79 Corvettes:

- the BLACK wire on the VRC7882DS pigtail connects to the PURPLE wire on your harness.
- the LIGHT BLUE wire on the VRC7882DS pigtail connects to the PINK wire on your harness.

For 1980-82 Corvettes:

- the VRC7882DS pigtail wire colors are the same as that on your harness.

VRC7882DS
