For 1978-79 Corvettes:
- The <u>CENTER BLACK</u> wire on the VRC7882PS pigtail connects to the <u>PURPLE</u> wire on your harness.
- The <u>LIGHT BLUE</u> wire on the VRC7882PS pigtail connects to the <u>PINK</u> wire on your harness.
- Connect the remaining wires color-to-color.

For 1980-82 Corvettes:
The VRC7882PS pigtail wire colors are the same as those on your harness.
